SOFTWARE ENGINEER

Self-driven software engineer with 5 years of experience in developing, debugging and maintaining Applications and Websites, be it Web or Desktop. At university, I participated in various studies groups like Cloud Computing and Databases. I have some freelance experience too.

Right now I'm seeking an international opportunity and challenges to improve my skills, meet new people, companies and new development technologies.

EDUCATION

Federal University of Ceará, Brazil | **BSc in Computer Science** | 2015

University of Alicante, Spain | **Undergrad in Computer Engineering** (SWB Program) | 2013
